Sir,

Subject:- EDUCATION - Elementary - Compulsory - Midday meals for poor children - enhancement of incidental charg requested.

****

Complaints from several Midday Meals Centres are being recei one after another, stating that the provision of(0-0-3) three pies per pupil set-apart to meet the incidental charges is so insufficient that they are not in a position to pay even the wages of cooks out of the said provision much less to meet the cost of fuel or utensils or rent of the cooking shed etc. The Chairmen of some of the centres have als threatened to close the meals centres on the ground that they do not g a proper cook for such low wages especially now-adays when wheat is being substituted for rice as the preparations out of wheat require a lot of time and labour apart from consumption of a large quantity of fuel. As the provision of incidental charges, is limited, I was forced to disallow in a good lot of cases such sums as exceeded the above limi in the matter and such committees have now decided to wind up the matte once for all and stop the arrangement for good in the circumstances. A copy of the telegram with a copy of the post copy of it received from the Secretary of Midday Meals Centre at Manjeshwar is enclosed. I have however, written to them to continue the supply of meals to the pupils at least till receipt of orders from Govern-ment in the matter.

In view of the above facts, I request that the Government may be pleased to enhance the incidental charges to Rs.0-0-6 per meal raising the provision to Rs.0-2-0 per meal or in the alternative to reduce the meal charges to 0-1-3 and raise the incidental charges to 0-0-6 and pass early orders in the matter.
